KEEPING YOUR CHILDREN SAFE

COVID-19 Protocols

updated 8/1/2021

DROP-OFF AND PICK-UP PROTOCOLS

- Only children and staff may enter the building. No visitors.
- Parents should wait outside, maintaining a social distance of 6ft between families. Parents must take their child's temperature upon arrival and assess for any COVID related symptoms.
- Teachers will record that a student has no signs of illness or temperature before the child enters the building.
- Anyone showing signs of illness will not be permitted to enter the building.
- Individuals with symptoms of Covid-19 should get tested and report results to the school office.
- If your child becomes sick during the day parents will be expected to pick up their child within 30 minutes. Parents must have an alternate emergency pick up person should they not be available when called.
- Stations are available for everyone entering the building to sanitize their hands.
- When it's time to pick-up your child, parents should wait outside, maintaining a social distance of 6ft between families. A staff member will accompany your child to meet you.

INSIDE & OUTSIDE OUR SCHOOL

- Hand washing/disinfecting required of all staff members before entering a classroom.
- Face coverings are required for students in any class other than Preschool Prep. (Please send two or three masks for changing during the day) As well as indoors for all staff members.
- Hand washing is required of staff prior to applying gloves to prepare food and after helping children to eat. Staff will ensure children wash hands prior to and after eating.
- Families are required to provide their own food for lunchtime and daily snacks.
- All children will have their own boxes of art supplies.
- Children's bedding and nap mats are stored in individual bags and laid out 6ft apart head-to-toe.
