

LDS Allergy Form

Parents:

Allergies, especially food allergies, are extremely dangerous. Please complete this form and return it as soon as possible, **even if you child has no known allergies**. There will be an Allergy List posted in the front of each classroom. Please contact the office to add any new allergies as soon as they are discovered.

Allergy forms must be completed every 6 Months, as allergies can often change through the course of the year.

Thank you for your cooperation.
